

INDIANA AVIATION HALL OF FAME, INC. NOMINATION FORM

The Indiana Aviation Hall of Fame was founded to honor and recognize Hoosiers, or those with a significant connection to Indiana, who have made indelible contributions to, or advancements in aviation and space flight through achievement, service, or entrepreneurial spirit.

ELIGIBILITY REQUIREMENTS

1. Candidates must have made an enduring and indelible contribution to aviation or space flight through achievement, leadership, exceptional service, innovation, or entrepreneurial spirit. The contributions may include personal accomplishments as a commercial or private aviator; aircraft, spacecraft or propulsion designer or systems designer; aviation or space-related military service; leadership and or achievement in aviation, air carrier operations, flight training, aviation or space-related education and or significant service as an airport or Fixed Base Operator or airport manager.
2. Candidates may be living or dead, must have a residency tie to Indiana in one or more of the following particulars: native Hoosier; significant connection to Indiana or residency in the state (though not at the time of the nomination or induction), and/or have made extraordinary contribution(s) to aviation or space flight while a resident of the state.
3. The candidate's contributions may have been made or achieved in Indiana, nationally, worldwide or while a resident of Indiana.
4. Nominations may be submitted by an organization, firm or individual, including the proposed Inductee, with knowledge of the candidate's accomplishments. Any evidence and documentation supporting the nomination should be included in the nomination, along with any contract information for investigation and research on the qualifications. A synopsis of the candidate's aviation or space-flight-related accomplishments, CV, awards, and achievements must accompany the nomination.
5. The INAHOF Nominations Committee will review and determine that the candidate meets the nominating criteria, verify the authenticity of the accomplishment(s) and perform such additional investigation as it deems appropriate. The Committee will advance the nominations to the full Board of Directors with recommendations for action. The full Board will select the inductees. The nominations not selected for induction shall be considered for selection in subsequent years.
6. Inductees are honored at an induction ceremony/banquet by a fitting medallion and/or plaque to be displayed within the Hall of Fame.

NOMINATION PROCEDURE

To nominate an eligible individual for the Hall of Fame complete and submit the attached form along with as much documentation of the Nominee's accomplishments as possible. Please make your nomination as thorough, comprehensive, and documented as possible to assist the Nominations Committee in evaluating the nomination and include a detailed narrative on and pictures (non-returnable) of the Nominee.

The nomination package may be updated with additional information. The completed form and any accompanying package, should be sent to:

**Indiana Aviation Hall of Fame, Inc.
Nominations Committee
9650 Commerce Drive, Suite 512
Carmel, IN 46032-7639**

The nomination package must be received by INAHOF no later than **June 1st** for consideration in that calendar year. A nomination received after that date will be considered the following year. The Nominations Committee will review the nomination and submit its recommendation to the full INAHOF Board of Directors.
