

INDIANA AVIATION HALL OF FAME, INC. NOMINATION PACKAGE

The Indiana Aviation Hall of Fame recognizes and honors Hoosiers, or others who have made significant and enduring contributions to, or advancements in aviation and aerospace flight through achievement, service, or entrepreneurial spirit.

A BRIEF OVERVIEW OF THE NOMINATION PROCESS AND REQUIREMENTS

Thank you for nominating a potential future Member of the Indiana Aviation Hall of Fame.

The: Eligibility Requirements and INAHOF procedure are below. Please complete the Nominee sections of the form.

ELIGIBILITY REQUIREMENTS

1. Candidates should have made an enduring and significant contribution to aviation or aerospace through achievement, leadership, exceptional service, innovation, or entrepreneurial spirit. The contributions may include personal accomplishments as a commercial or private aviator; aircraft, spacecraft or propulsion designer or systems designer; aviation or space-related military service; leadership and or achievement in aviation, air carrier operations, flight training, aviation, or space-related education and or significant service as an airport or Fixed Base Operator or airport manager. Please provide any information you have to advance the nominee's achievements.
2. Candidates may be living or deceased; must have a residency tie to Indiana in one or more of the following particulars: native Hoosier; significant connection to Indiana or residency in the state (though not at the time of the nomination or induction), and/or have made extraordinary contributions to aviation or aerospace while a resident of the state.
3. The candidate's contributions may have been made or achieved in Indiana, nationally, worldwide or while a resident of Indiana.
4. Nominations may be submitted by an organization, firm or individual with knowledge of the nominee's/candidate's accomplishments. Any evidence and documentation supporting the nomination should be included in the nomination package, along with any current contract information for the candidate/nominee and or relatives or others who can support the nomination. A synopsis of the candidate's aviation or aerospace-related accomplishments, a resume, awards, and achievements must accompany the nomination.

NOMINATION PROCEDURE

To nominate an individual for the Hall of Fame complete and submit the attached form along with as much documentation of the Nominee's accomplishments as possible. Please make your nomination as thorough, comprehensive, and documented as possible to assist the Nominations Committee in evaluating the nomination and include a detailed narrative on and pictures (non-returnable) of the Nominee.

This Narrative should be clear and concise and approximately three pages, standard 8 ½ X 11 preferably in 12-point font in addition to the nomination form. Please try to limit the handwritten narrative to three pages.

The Nomination Committee may request that the package be updated with additional information.

The completed form and accompanying material package should be sent overnight service to:

**Indiana Aviation Hall of Fame Nomination Committee
Indianapolis Executive Airport
11329 East SR32
Zionsville, IN 46077**

**You may also upload all the forms and materials to <https://www.inahof.org/nominations>.
Receipt will be confirmed for receipt.**

You may also e-mail the package to nominations@inahof.org is also acceptable.

The nomination package must be received by INAHOF **no later than FEBRUARY 1st** for consideration in that calendar year. Any nomination received after February 1st will be considered the following year(s).

The Nomination Committee will review the nomination, verify the authenticity of the nominee's accomplishments, and undertake additional investigation, as necessary. The committee will make its recommendation on nominations to the full Board of Directors, which will make the final determination on induction. Any nomination not selected for induction will be considered for selection in subsequent years.

Honorees are inducted into the Hall at the Honors Banquet. The inductee receives a medallion and award. A plaque for the Hall's permanent collection will be displayed.
